

Expectations for the future support by ERA-LEARN

Annual P2P conference 2017 - Highlights from the
parallel sessions

Expected services from ERA-LEARN

- 1) Produce news to a wider audience, especially on impacts
- 2) Provide P2P success stories
- 3) Promote ERA-LEARN to policy makers (it is well known among practitioners)
- 4) Weblinks from EC sites (Participant portal?) to the ERA-LEARN website
- 5) Organise annual thematic workshops
- 6) Make systematic analyses of the needs of the P2Ps
- 7) Provide software for P2Ps
- 8) Services for impact assessment and evaluation of P2Ps

Expected services from ERA-LEARN

- 9) Provide best practice from the perspective of national funders
- 10) Collect feedback from researchers as well (impact, experiences...)
- 11) Opportunities to share results from P2Ps on the ERA-LEARN platform
- 12) Make a better outreach strategy
- 13) Improve the ERA-LEARN website – make it more user friendly
