

MORE YEARS

BETTER LIVES

JPI MYBL Strategy 2017-2020

**GPC meeting
24 November 2016**

JPI More Years, Better Lives

Goal:

Provide policymakers with the evidence they need to make decisions which will enable all citizens to live the most satisfying and productive lives possible, across the extending lifespan.

How?

1. **Exploration and understanding Demographic Change** using a transnational multi-disciplinary and holistic approach
2. **Joint Programming/Alignment** of national/regional and EU programmes and activities
3. **Implementation** through joint activities (calls for transnational research projects and “fast track” activities)
4. **Public Engagement** through our stakeholder advisory board, JPI MYBL Conferences, newsletter, the JPI MYBL website, using the distribution channels of the JPI MYBL member states and advisory board members
