

Session 2
EVALUATION OF JOINT PROGRAMMING

KEY ISSUES

SPECIFIC ISSUES

MAIN ISSUES

- **Ambition**
- **Commitment**
- **National alignment**
- **National structures for coordination, funding and management of JPIs**
- **Role of the Commission**
- **Operational bureaucracy**

JPI MANAGEMENT

- Variable national commitment
- Reaching a structuring effect
- Going beyond research
- The Commission does not support equally
- Competition for national resources
- Sustainability of network infrastructure
- Risk of administrative burden

GPC

- Variable performance of JPIs
- Added value of GPC
- Executive resource
- The role of the JPIs within a future GPC structure

NATIONAL STAKEHOLDERS

- **Political attention**
- **The difficulty of being able to establish national positions**
- **Wider landscape of P2P initiatives**
- **Balanced budget**
- **The importance of ministerial and funding agency participation**
- **Incentives from the Commission to co-invest**

EUROPEAN COMMISSION

- JPIs are not achieving critical mass
- Limited stakeholder engagement beyond research
- Increasing dependence on H2020 instruments
- Overlaps between some JPIs

RULES OF THE GAME

- World Café format
- Four moderators (static)
- Groups rotate (clockwise)
- Discuss each of the four specific sets of issues in turn (25 minutes each)
 - Options to address the issues
 - Moderators will build on previous group input
- Option to provide ideas on how to address the six main issues
