

ERA
LEARN
2020

Day 2 – Workshop 1

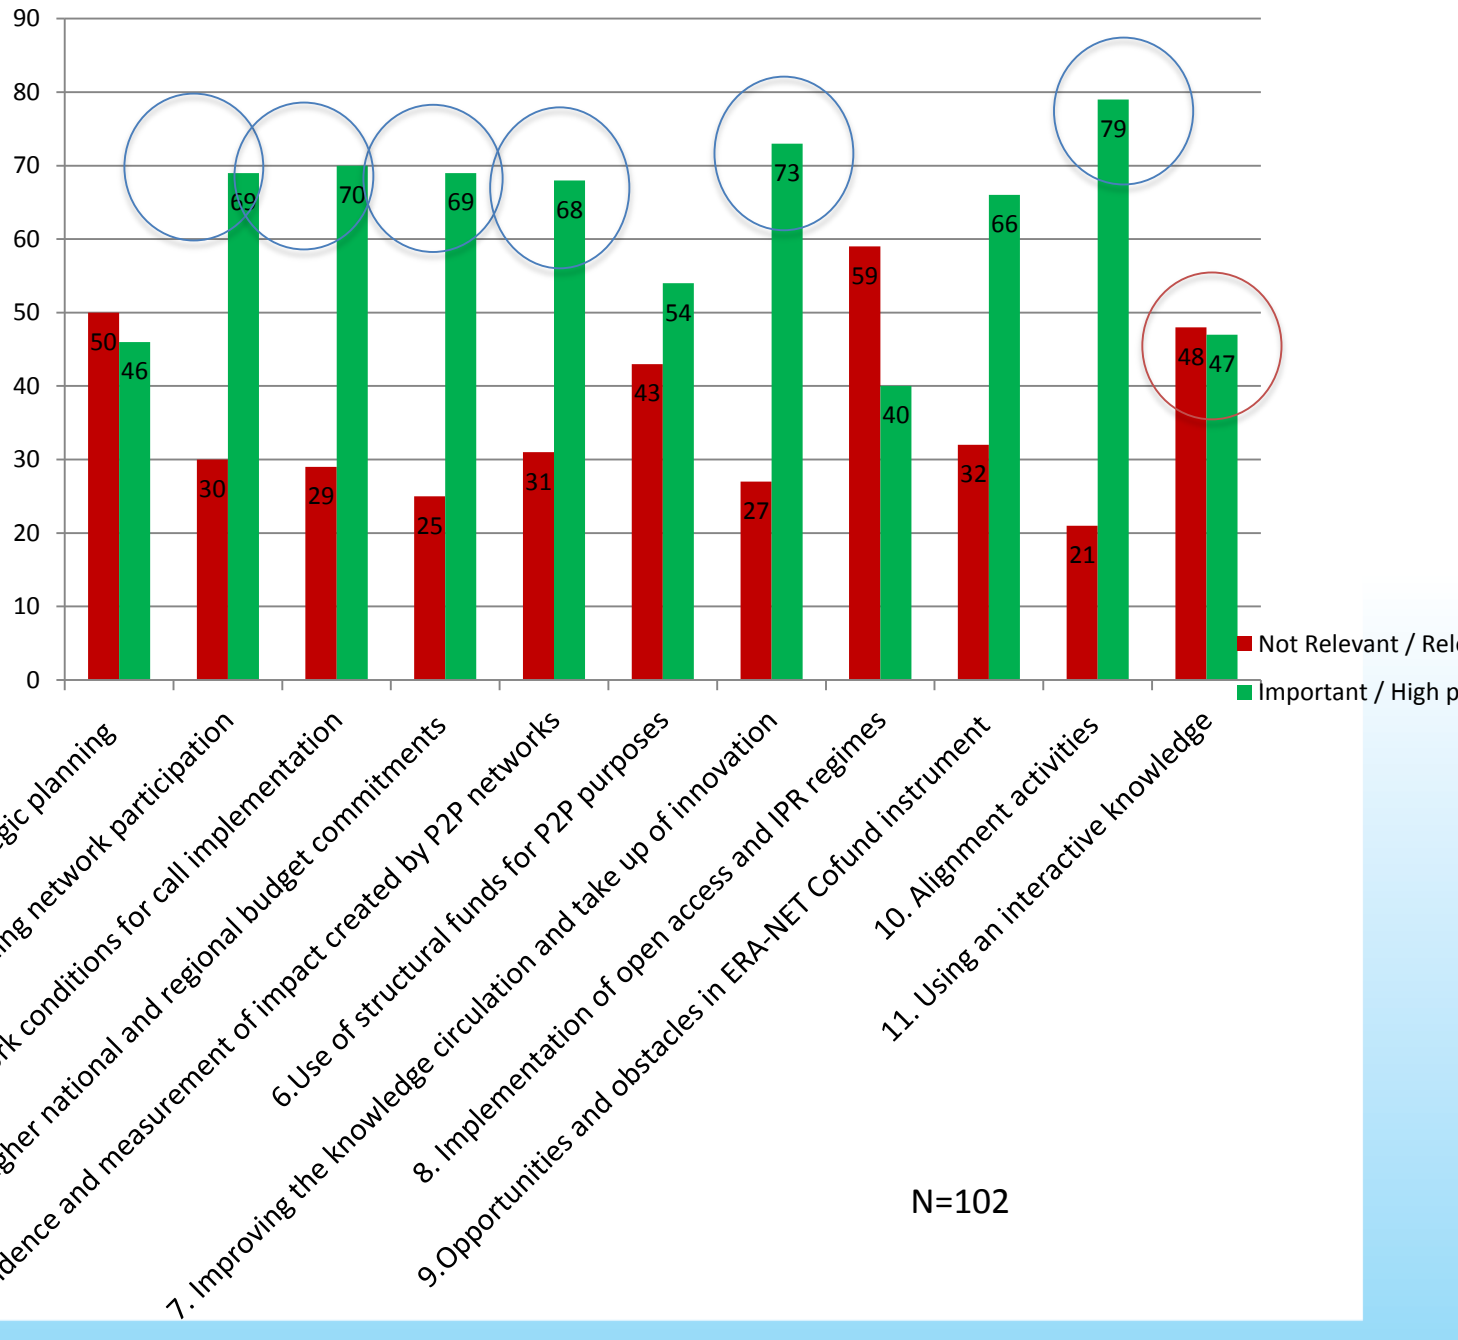

ERA-LEARN 2020:

How can the IT platform better serve community interaction, mutual learning and P2P promotion?

Key Discussion Items

- **Results Survey on User Needs** – IT relation?
- How could the ERA LEARN platform be better used to **promote P2P initiatives**?
- **Semi-Standardized Assessment and Benchmarking** – A proposal for a service offer development

Key Findings and Recommendations

Promotion of P2Ps

Aspects for promotion of P2Ps on www.era-learn.eu:

- Statistics,
 - Information on leverage of funds,
 - Benchmarking and performance indications
 - Success stories; website:
- Different entry points for different user groups (learning vs. promotion towards policy level)?

Key Findings and Recommendations

P2P Network Assessment and Benchmarking

- Central Database under www.era-learn.eu for network assessment, research project assessment
 - ➔ centralised set of semi standardized assessment indicators to design and realise benchmarkable surveys
- Joint development in ERA-LEARN (Uni Manchester Optimat and VDI/VDE IT)
- Mirror Group for feedback on interim result is sought
