2020

## Topic 2

# Evaluation of Joint Programming

## **Key Issues**

Angus Hunter

# 20 Specific Issues were discussed

variable performance of JPIs  
 added value of GPC  
 executive resource  
 role of JPIs within a future GPC structure

***How can they be addressed – and by who?***

governance  
 Commission support  
 coordination

eligible to positions  
 scope of activities  
 budget  
 ministerial and participation

Sustainability of network infrastructure  
 JPIs not achieving expected critical mass  
 limited stakeholder engagement beyond research  
 overlaps between some JPIs  
 increasing dependence on H2020 instruments

# Key Findings
