Subject

European Partnerships – why and how to coordinate, initiate and manage global cooperation in a global scientific and diplomatic context.

Objective

This event shall kick off European Partnership community exchange in between practitioners tasked with globalization issues of European Partnership Initiatives, ideally also stakeholders from MS/COM with stakes in European Partnerships.

- April 22nd: “Workshop” to specify topics and to collect interested parties in follow-Up exchange.
 - May 25: follow-up sessions: detailed discussions, mutual learning about approaches, experiences and improvement potentials regarding globalization activities of European Partnerships, networking
-

Proceeding

(Moderation: Michael Dinges, AIT, ERA-LEARN)

- **Welcome** (Andrei Lintu, European Commission, DG RTD)
- **Some figures from the database** (Roland Brandenburg, FFG, Coordinator ERA-LEARN)
- **Findings from globalisation Interviews with European Partnerships** (Peter Hahn, VDI/VDE IT, ERA-LEARN)

“Speed-Workshops” on selected aspects of globalisation (each 5-10 minutes input plus 10-15 minutes discussion)

a. **How to attract and deepen global partnerships**

Strategic cooperation – Membership retention and deepening of long-term mutual benefits – experiences from the AAL Institutionalised Partnership (Klaus Niederländer, Director Central Management Unit, AAL Association)

b. **How to coordinate Partnership globalisation with policy level foreign relations in science and diplomatic services in MS and COM?**

“The Example of Senior Official Meetings as a functional node for multilateral coordination of policy and agency level” (Marianne Vaske, DLR International Office/EU-LAC)

c. **Always the right instrument for mutually beneficial cooperation? Scientific and diplomatic objectives, Partnership cooperation instruments and their varying appropriateness for global cooperation**

“Clear subjects and scope for global cooperation and a pragmatic view on global operation modi – lessons from FACCE JPI (Heather Mckhann, Coordinator Executive Secretariat, FACCE JPI)

d. **Ethical standards for cooperation with global partners – who do “we” collaborate with and how?**

“(Some) ethical issues of global Partnership cooperation – and ways to tackle them” (Laura Marin, Head of Secretariat, JPI AMR)

Conclusion, way forward (Peter Hahn, VDI/VDE IT, ERA-LEARN)

Method

Succeeding online sessions.
